

THE PARISH NEWS

JANUARY 2026 THE CONGREGATIONAL CHURCH OF LITTLETON, UNITED CHURCH OF CHRIST

Living Hope Together

Dear Friends,

Happy New Year!

As we step into 2026, we do so carrying both the joys and the burdens of the year behind us. Living in hope for the new year does not mean ignoring the realities of the world or pretending that life is easy. Instead, Christian hope is rooted in God's faithfulness—trusting that even in uncertain and unknown times, God is present, active, and at work among us.

Hope also takes shape in community. In the life of the church, hope is made visible when we worship together, pray for one another, and offer compassion to those who are hurting. Each act of kindness, each shared meal, each moment of listening becomes a sign of God's kingdom breaking into our everyday lives. As a congregation, we are called to be people who embody hope by working for peace and justice—extending welcome, practicing generosity, and trusting that God can bring new life even where we see weariness or loss.

As we move through 2026, may we be a church that works to bring hope into the world. Not a shallow optimism, but a deep and steady hope anchored in Christ, who promises to make all things new. Let us look for signs of God's grace in our neighbors, our ministries, and our own lives, and let us be bold in sharing that hope with the world. Together, may we act as people who believe that God's future is unfolding among us, even now.

With you on the Journey,

Rev. Jen

Council Update Dec 11, 2025

Rev. Jen opened the meeting with a reading from *Kneeling in Bethlehem* by Ann Weems called "Plastic Angel" and followed it with prayer.

Ed Cornish and Pete Scantlebury spoke for the Property Committee. Sandy Clyde will get contractor bids from now on. The company Four Seasons investigated the Mitsubishi system which is now obsolete because the refrigerant it uses will not be available once the stock supply is gone. The company is looking into the cost of fixing the two leaks or the cost of a new system using the latest refrigerant. A new system could cost \$40,000. The five-year inspections of the elevator and sprinkler system will take place in the spring for a total cost of \$4600. MassDOT will fill in the hole in the front of the church on December 12.

The Council celebrated the fact that Janet Anderson has agreed to be the church's Collector. Kathy Keenan told the Council that as of November 30, the pledge amount is on target. Loose collection is 10% below the goal, but events during the year have been very successful. The invested funds earned \$177,421 to this point. There are some committees under budget and some who will finish the year over budget. Sandy Clyde and the committees have been working to keep the budget

expenses under control; however, the year will probably finish with a budget deficit somewhere under \$10,000.

During the year the Finance Committee will publish articles about including a bequest to the church in a member's will. Angel Maldonado Lopez brought up the fact that the church is not on the list of charities for companies to match donations. The Committee will investigate.

Mark Hickox read the motion from the Personnel Committee to approve the Account Reimbursement Plans for the Senior Minister (up to \$4750) and the Christian Education Director (up to \$400). Also included is the Parsonage Allowance for the Senior Minister in the amount of \$7000. The Council approved all three.

The Steeple Working Group put together packets with updated information and a survey and have made them available in the sanctuary. They would like the surveys back by the end of December. They will review the survey responses and update the congregation on January 11.

Under Other Business Kathy Keenan announced that the contractor Colby Field has offered to pay for and install a Giving Tree to honor those who have given gifts to the Endowment Fund.

Brad Hamilton closed the meeting with prayer.

We recommend YouTube as it has the best audio, fewer glitches and people can chat with one another during the service.

Closed-captioning is also available on YouTube after the Sunday 10 am service, usually later in the day.

You can attend worship in the following ways:

"LIVE" via YouTube: live-youtube.ccol.org

"LIVE" via Facebook: live-facebook.ccol.org

And of course ... In person every Sunday at 10 am in our sanctuary

Merry Christmas to all at Littleton Congregational Church!

Please keep the YouTube live sendings coming. That is my best hour of TV each week. This was my Communion Table on Worldwide Day of Communion where 3 friends joined me and there were waffles for fellowship after. Of course, we followed along with the service at 4pm Norway time.

With wishes for Christmas and New Year's Blessings,

Dear Friends,

Thank you for your gift of \$595.00 from your Deacons' Donation and your Good Friday Walk. Your support is not only appreciated, it is essential. More people than ever before are turning to us for help, and because of generous donors like you, we are able to continue to meet this growing need.

Every day, we see families who never imagined they would need a food pantry. Many are facing tough choices - groceries or rent, heat or medicine. Your kindness is the lifeline for so many.

Thank you for standing with us, and with those who need us most.

With heartfelt gratitude,

Patricia A. Stern

Living Micah's Call in Burlington

The Central Association of the United Church of Christ is inviting members to join together for a time of witness at the ICE Field Office in Burlington MA on January 21st 11-1pm. Currently, people are being held there in unsanitary conditions. This non-violent act of bearing witness is important as we live out the tenets of our faith found in the verses from the prophet Micah, "What does the Lord require of you, but to do justice, to love kindness, and to walk humbly with your God?".

Be sure to look for more information in the weekly Eblast later in the month.

Leaving a Legacy

As you plan for the future, please think about leaving a legacy that supports our church's missions. Your bequest can help sustain our community for generations to come. Please see or email the Treasurer (treasurer@ccol.org) if you have any questions.

Did you know?

The Fellowship Team at CCoL serves two purposes: Fundraising and motivation to declutter our homes. Monies raised from the donations from your closets and your attics offsets the church budget and also subsidizes the expenses of the social stuff—Ice Cream Social, Mardi Gras breakfast, paint parties.

Caregivers Support Group

The Caregivers Support Group will meet on **Wednesday January 7th, 7-8:30 pm** in the Youth Room.

This is a support group for people of all ages who have the responsibility for the welfare of a family member or friend. It is a safe space in which to share needs and resources. This is open to all in the Littleton community and nearby towns and is NOT limited to CCoL members. Please invite friends, family and anyone who may benefit from this program.

The meeting is facilitated by Dianne Ledder and Martha Shethar. Refreshments will be offered.

WEEKLY GATHERINGS

When We Meet: Every **4th Thursday of the month**, from **7:00–8:30 PM (or so)**.
